PRESENTATON TO THE BOARD: AASCB's CREDENTIALS REGISTRY AND NEW DEVELOPMENTS IN LICENSURE FOR PORTABILITY PLAN – Janice F. McMillan, PhD, Chair National Credentials Registry

Dr. McMillan made a presentation to the Board to describe and update them on the status of the American Association of State Counseling Board's (AASCB) National Credential Bank. She described the filing of registrants' credentials, work history, supervision documents, continuing Education (CE), and work experience with the Bank. She also discussed the model of portability of licensure plan that AASCB has been developing and the intent for state licensing boards to consider using a component of work experience as being "equivalent" for deficiencies between a registrant's credentials and a state's particular requirements to facilitate portability. It was noted South Carolina law does not allow for work experience to be considered "equivalent." Dr. McMillan stated that boards could participate at different levels in the portability model. After a question and answer period, the Board thanked Dr. McMillan for her presentation and noted the Portability Plan will be reviewed and taken under advisement.

APPEARANCE BEFORE THE BOARD: Barbara Melton, M.Ed., LPC and LPC-S

Ms. Melton appeared before the Board to present seven concerns that she has with the Proposed Regulations that the Board filed before the State Legislature. Her concerns were focused on the limitation of the number of supervisees that a supervisor my have and the financial impact that the limitation might cause, on the requirement for a three semester hours graduate course being required of applicants who wish to become supervisors, on the types of supervision strategies suggested in the Proposed Regulations, and the inclusion of Standards of Supervision in the Proposed Regulations. After discussion, the Board thanked Ms. Melton for her appearance and stated that her comments and concerns will be reviewed and taken under advisement.
