

Part-Time SCDDSN Evaluators Needed

The South Carolina Department of Disabilities (SCDDSN) is seeking qualified professionals to complete assessments for the agency eligibility process. Evaluators must possess the following:

- A Master's Degree or Doctorate in Psychology/School Psychology from an accredited university with relevant experience in completing testing/evaluation reports for individuals with developmental disabilities and related conditions.
- An extensive knowledge in various psychological tests to include intellectual and adaptive skills assessments.
- Demonstrated competency in diagnostic evaluation and interpretation of results.

Urgent need has been identified in the following counties:

| | | | |
|--------------------|----------------|----------|--------------|
| Allendale/Barnwell | Beaufort | Berkeley | Chesterfield |
| Dorchester | Georgetown | Hampton | Horry |
| Jasper | Marion/Dillon, | Marlboro | |

Scheduling of testing/assessments may include evening hours and weekends for those evaluators requiring flexible schedules. SCDDSN pays Evaluators at the following rates:

- Adaptive – \$120.00
- IQ – \$120.00
- Both IQ and Adaptive - \$240.00

If interested in providing assessment services, please contact Yolanda Goodwin at ygoodwin@ddsn.sc.gov or (803) 898-9671.
