

William Jeffery Earley, DO

**EMERGENCY ROOM & FAMILY PRACTICE PHYSICIAN
30 Years of Superior Medical Service**

Highly competent, extremely personable Emergency Room and Family Practice physician with history of establishing patient rapport especially during difficult to make diagnoses. Capable of facilitation and collaborating in fast track, highly chaotic and ambiguous environments. Consistently exceed execution proficiency through superior analytic skills. Team leader and patient advocate able to work closely with administration and staff to enforce all hospital procedures and policies. Business acumen to drive operational efficiency, improve staff performance and effectiveness while increasing profitability and reducing waste.

- Superior diagnostic skills, treatment planning and follow up with patient care
- Personable and caring bedside manner, turning strangers into life-long patients
- Extremely strong, interpersonal and team communication skills
- Harmonious team player, consistently meeting and exceeding standard operational procedures
- Strong decision-making skills involving high pressure (life/death) scenarios
- Example role model and mentor delivering high quality medical attention
